

# Scoring and Reviewing Images on Competition Website

Contact the Competition Chair by phone or email with any questions.

## Coastal Camera Club Website URL:

[Competition Judge Site](https://competition.judge.site)

Or paste the following into a browser:

<https://competition.coastalcameraclub.com/>

On the welcome screen select the button on the screen:

Click HERE to Sign in

## Login to the Competition Website:

On the login window enter the provided Username and Password.

**Note: Apple computers using the Safari browser may have issues logging in so please use another browser.**

Successful login will open the Rating Form

## Rating (Scoring) Form

The rating form has detailed instructions by clicking the **Using this Rating Form** button in upper right corner of the page.

Image sorting by clicking the blue headers over Title, Comp Type (Category), and Score.

Click the Title and then click the Comp Type to arrange the images by competition Type (category) and alphabetically by title. Sorting by category then title will match the provided PDF Scoring Sheet.

Sorting by score and then Comp Type (Category) will allow for reviewing image ranking.

## Entering Image Scores

Judges can scroll down the Rating Form and view the images, titles, and competition category.

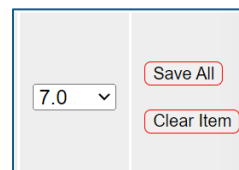

Score entry selection by using the **pulldown** pick list. Select a score to make an entry.

To remove a score, click on **Clear Item**

No Score - Score Entered

## Saving Scores

Click **Save All** at any time, a save reminder will pop up after every eight updated or edited scores. Click Save All to post scores. Judges may still update scores after a save.

## Competition Score Close

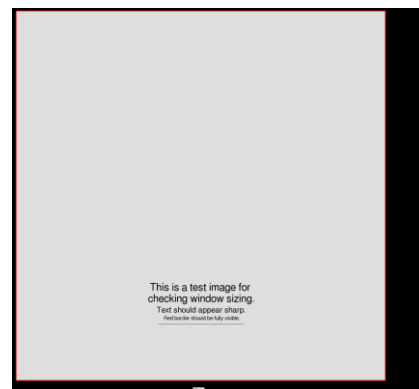

The Competition Chairs will confirm scoring closed before judges click the finish button. If needed the Competition Chair can re-open the scoring.

## Viewing Images in Rating Form

Click on an image to open the viewer. A test window will be open for adjusting the window size. Instructions on the opening screen are for adjusting the browser image opening.

**Note:** Adjust image size and check the lower right corner of the window for the Percentage of Actual image size does not exceed 100% or the images may experience pixelation.

## Image Viewer Navigation

At the bottom center of the viewer the **Previous** or **Next** buttons change the viewed image. The images order is based on the main screen sort order.

A full-size button appears in lower left if the Image reduced by the browser to fit the screen. Based on the monitor, if a full-size image does not fit on the screen scroll bars will appear for viewing the full image.

**Note:** The maximum competition image size is 2880 pixels high and 1920 pixels tall. Competition images may be smaller than the maximums with a minimum of 800 pixels on the long side.
